***EASTER SUNDAY: “He is Truly Risen! Alleluia, Alleluia!”***

Easter is the greatest feast in the Christian calendar. On this Sunday, Christians celebrate the resurrection of Jesus Christ from the dead. For Catholics, Easter Sunday comes at the end of 40 days of prayer, fasting, and almsgiving known as Lent. Through spiritual struggle and self-denial, we have prepared ourselves to die spiritually with Christ on Good Friday, the day of his Crucifixion, so that we can rise again with him in new life on Easter.

Easter is a day of celebration because it represents the fulfillment of our faith as Christians. St. Paul wrote that, unless Christ rose from the dead, our faith is in vain (1 Corinthians 15:17). Through his death, Christ saved mankind from bondage to sin, and he destroyed the hold that death has on all of us; but it is his resurrection that gives us the promise of new life, both in this world and the next.

That new life began on Easter Sunday. In the Our Father, we pray that "Thy Kingdom come, on earth as it is in Heaven." And Christ told his disciples that some of them would not die until they saw the Kingdom of God "coming in power" (Mark 9:1). The early Christian Fathers saw Easter as the fulfillment of that promise. With the resurrection of Christ, God's Kingdom is established on earth, in the form of the Church.

**Did you know...** Child abuse comes in many forms. Most people identify child abuse as physically hitting a child. Neglect is also a form of abuse. Failing to provide a child with proper nutrition, housing and supervision can cause irreparable harm. Expectations that a child be an active participant in the care of home and family, or even age-appropriate jobs is a part of healthy development. But excessive demands can cross into a form of servitude that is beyond the societal norms. Child pornography is a form of sexual abuse, with real victims in every image. The viewing of these images is an offence against the human dignity.
